Effective: January 1, 2026

SEWER RATE NO. 5 – SELF-REPORTING SEWAGE DISPOSAL SERVICE (Cont'd)

TIER CLASSIFICATION:

For the purpose of the application of the Monthly Base Charge and Monthly Minimum Charge, the Tiers are determined based on annual billed treatment volumes per discharge meter or outfall as follows:

- Tier 1: annual billed treatment volumes up to 600 CCF (450 1,000 gallons)
- Tier 2: annual billed treatment volumes greater than 600 CCF (450 1,000 gallons), but less than 4,800 CCF (3,600 1,000 gallons)
- Tier 3: annual billed treatment volumes greater than 4,800 CCF (3,600 1,000 gallons), but less than 36,000 CCF (27,000 1,000 gallons)
- Tier 4: annual billed treatment volumes greater than 36,000 CCF (27,000 1,000 gallons)

The annual billed treatment volumes per discharge meter or outfall will be based on the twelve months ending each February. The tier classifications will become effective each May and remain in effect for twelve months.

For new customers, the tier assigned will be Tier 2. For customers with less than twelve months billed treatment volume, the tier assigned will be based on an annualization of the data available (i.e. monthly average of billed discharge volumes multiplied by twelve).

MINIMUM BILL PER MONTH:

Each Self-Reporting Customer will pay a Monthly Minimum Charge, if the combined Monthly Base Charge, together with the variable Treatment and Surveillance Charges are less than the Monthly Minimum Charge.

PAYMENT:

If the bill is not paid within seventeen days after its date of issue, a Late Payment Charge will be added as provided in Appendix A.

SPECIAL PROVISIONS:

Where pretreatment is necessary in order to comply with the Utility's Terms and Conditions for Sewage Disposal or categorical pretreatment standards found in 40 CFR Chapter I, Subchapter N, Parts 405—471 and 327 IAC 5-12-6, Industrial Customers shall be subject to charges and fees established by the Utility's Board to provide for the recovery of costs of the pretreatment program. The applicable charges or fees may include: (1) fees for reimbursement of costs of setting up and operating the pretreatment program; (2) fees for monitoring, inspections and surveillance procedures; (3) fees for reviewing accidental discharge procedures and construction; (4) fees for filing appeals; (5) fees for consistent removal (by the Utility) of pollutants otherwise subject to federal pretreatment standards; (6) other fees as the Board of the Utility may deem necessary to carry out the requirements of the pretreatment program.

In the event a Self-Reporting Customer who does not have BOD, TSS and NH₃-N fails to submit the report required by Rule 5.5.2 for three consecutive months, the Customer will be moved to Sewer Rate No. 2. The Utility shall measure usage and bill the Customer as provided for in Rule 7. The Customer will not be able to return to Sewer Rate No. 5 for twelve Months.
