
GAS RATE NO. D7

COMPRESSED NATURAL GAS DELIVERY SERVICE (CNG)

APPLICABILITY:

This rate schedule applies to all Gas delivered in a month or any portion thereof for a single End-Use Customer through one Meter supplying a single Premise for purposes limited exclusively to the conversion of such Gas to compressed natural Gas for use in fueling motorized vehicles. The customer shall not use the Gas delivered under this rate for any other purpose.

SPECIAL PROVISIONS:

All Gas served hereunder to the CNG facility must be metered separately from any other Gas consuming equipment located on the Premises, and will be billed separately and independently of any other usage through such equipment.

The customer shall be responsible for payment of all federal, state and local taxes. The customer shall reimburse the Utility for all taxes payable by the Utility to governmental bodies on the sale of natural Gas for use as CNG.

Incorporated herein, and made part of this Gas Rate No. D7, are the Terms and Conditions for Gas Service, as amended from time to time. Capitalized terms used in this rate schedule are defined in the Terms and Conditions for Gas Service.

FACILITIES CHARGE:

\$50.00 per Month

The Facilities Charge is only applicable where natural Gas is provided to an End-Use Customer-owned CNG facility. No Facilities Charge shall apply if the Utility owns and operates the CNG facility.

DISTRIBUTION CHARGE:

For natural Gas provided to an End-Use Customer-owned CNG facility:

\$0.0843 per Therm

For natural gas provided from a Utility-owned and operated CNG facility:

\$0.1406 per Therm

In addition, applicable Balancing Charges from Rider A and the Customer Benefit Distribution from Rider C will apply to all Therms delivered.

GAS RATE NO. D7 – COMPRESSED NATURAL GAS DELIVERY SERVICE (CNG) (Cont'd)

GAS SUPPLY:

This rate schedule and the above-stated charges do not provide for a supply of Gas. Gas Supply is available from the Utility under Gas Rate No. S1. End-Use Customers also may, if eligible, choose a 3rd Party Supplier to furnish a supply of Gas in accordance with the Utility's requirements. Customers failing to make a supply selection will receive Gas Supply under Gas Rate No. S1, Variable-Rate Gas Supply Service.

CONTRACT:

End-Use Customers with annual usage greater than 250,000 Therms shall enter into a written contract, which specifies the hourly and daily maximum gas requirements and any other terms reasonably required by Utility. The contract shall have an initial term of not less than one year and shall automatically extend for succeeding annual terms thereafter, subject to cancellation by either party after written notice submitted not less than ninety days prior to the end of the initial term of any succeeding annual term. However, in no event shall the contract expire during the winter season, unless such mid-winter termination date is mutually agreed upon.
